

SMWX-XXXX

Surface mount, air core inductor

- “pick & place” surface
- Compact design
- Tunable
- Temperature range, -40 °C to 125 °C
- Soldering temperature, 230 °C, 5 seconds
- Inductance test level, 10MHz
- Packaging, 300-4600pcs, 12mm blisterpack
- Leads tinned to seating plane
